DUTIES

Ideally the case should be manned for 15 minutes before and after Mass. The key can be found in the choir warm-up room (where the servers vest) on the right-hand side of the door, next to the telephone.

There should be about \$20 in change in the cashbox which can be found on the right hand side of the back storage area of the case. Any money from sales should be put in an envelope marked "Religious Article Case \$\$" and dropped into the safe in the back closet of the vesting sacristy. **Please note on the envelope what object was sold so that it can be replaced.** Call Mary Michele at 816-258-2037 with any questions.
